Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission:

We turn youthful dreams into reality by providing youth living in adverse circumstances opportunities that are otherwise either not attainable or too difficult to access due to their family's financial situation. We help them develop the social skills, character traits and discipline needed to become successful. We provide them an educational and fun alternative to risky behaviors like gangs, truancy and substance abuse.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code: _____) (Expenses \$ 65,352 including grants of \$ _____) (Revenue \$ _____)

Band & Orchestra Program - Fees and participation requirements are making school band and orchestra programs increasingly more expensive; students have to pay for instruments, uniforms, travel and competitions; schools recommend students take private lessons to become proficient in their instrument because they don't have adequate teaching resources to provide them individual lessons. The result is that low income youth are being priced out of participation and/or unable to keep pace with those students who can afford private lessons. We bridge this gap by helping low income students with fees they cannot afford as well as provide them individual lessons, We served 18 students at 3 middle schools and 1 high school.

4b (Code: _____) (Expenses \$ 60,339 including grants of \$ _____) (Revenue \$ _____)

Guitar Program - There are too few age appropriate after-school programs for middle and high school age low income youth; the focus continues to be on early childhood education. While early childhood programs are essential, the lessons taught will not be retained if a comparable level of support is not provided through their difficult teen years. We provide free guitar lessons and mentoring to these youth in their neighborhoods thus removing two of their greatest barriers; cost and transportation. We serve about 800 deserving youth are served annually in this program.

4c (Code: _____) (Expenses \$ 43,808 including grants of \$ _____) (Revenue \$ _____)

STEM Guitar Program - Traditional STEM programs focus on college preparedness and are not technologically diverse; there is a need for more diversity in what's offered and the addition of a vocational component. This program diversifies the academic offerings by teaching students the STEM principals behind the design and operation of an electric guitar and then adds a vocational component by having them build their own instrument. The program is offered in high schools as a Career & Technical Education (CTE) elective. Low income students can participate for free; other students can participate for a fee. We provide the teacher training, unique tool set to assemble and test a guitar, course syllabus, and luthier support for the program. Twenty-eight students at one high school were in the program.

4d Other program services (Describe in Schedule O.)
(Expenses \$ _____ including grants of \$ _____) (Revenue \$ _____)

4e Total program service expenses **\$169,499**
